

toolshero

Toolshero - boost your skills

Welcome to Toolshero, the global e-learning platform for personal and professional development.

Toolshero supports people worldwide (**10+ million visitors from 100+ countries**) to empower themselves through an easily accessible and high-quality e-learning platform for personal and professional development. By making access to scientific knowledge simple and affordable, self-development becomes attainable for everyone, including you and your colleagues.

Toolshero shares theories of world-renowned scientists (heroes) in the form of summarized and cited presentations, enriched with practical theories, models, templates and videos. These theories are published on a daily basis in more than 100 countries, making toolshero an indispensable platform for education and self-development.

At this moment, Toolshero offers more than 800 practical scientific articles, templates and videos on a wide range of topics: Management, Psychology, Leadership, Strategy, Decision-Making, Marketing, Human Resources, Financial Management, Quality Management, Change Management, Communication and more.

Toolshero offers this knowledge on a Dutch, English and Spanish platform.

Corporate solutions

Choose a membership that suits your company size and allow your entire team unlimited access to all our platform has to offer. Learn something new every day by exploring our 800+ articles, premium templates and daily new content.
